# BRYAN CAUGHT IN OWN SNARE

"Commoner is in the "Commoner" Is the First to Money Trust

> MUST EXPLAIN HIS APPARENT CRITICISM

> If Wall Street Controls Representatives Want to Know How It Is Done

WASHINGTON, Feb. 9 .- William ennings Bryan will be the first wit ness to be summoned before the house committee on banking and currency to testify in the money trust investigation which the democratic caucus, repudiating Bryan's demand for a special committee, referred to the standing committee of the hours. Bryan irod on the toes of the demo-eratic members of the committee when he recently declared the money trust? thought it could con-trol the committee. The committee asists that Bryan shall explain what ne meant, notwithstanding that Bryan's adherents in the caucus on Wednesday offered a resolution which was adopted, expressing confidence in the integrity of their colleagues

on that committee.
"The committee is a unit," said Representative Page, chairman of the banking and currency committee, "in its decision that Bryan must exdain to us exactly what he means. This is what Bryan is credited with saying about the committee: "Demo-erats, beware. The money trust, havng failed in its efforts to prevent an investigation, is now trying to force an investigation by the banking com-

mittee. The fact that the money trust wants that committee entrust-ed with the investigation is proof

that it thinks it can control that In marked contrast with the pro-

rency conditions of the country for the purpose of determining what legisiation is necessary." No specific reference are made in the reclution to the control of money by financial groups, and their domination of rail-SALT LAKE, Feb. +9.-W. E. soads, industrial corporations, nation
